WHO SHOULD I INVITE TO MY SENIOR MEETINGS?

To ensure appropriate placement and referrals to Focus Beyond, please complete this referral BEFORE your senior IEP meetings. Our staff will be in touch with you about attending meetings or providing more information to your team, the students, and families.

Students who transition most successfully have lots of time to plan for enrolling at Focus Beyond. Please introduce Focus Beyond as an option for your students early in their senior year or at the end of junior year.

REFERRALS AND MEETINGS

Students are eligible for transition services after high school if:

> they have an educational disability across all categories
> they have documented unmet transition needs in the IEP and ESR
> they have transition goals in the IEP
> the transition needs are the result of the educational disability
> the needs cannot be met by an outside agency or other supports
> they have completed 12th grade

Students who are short credits can be referred, but we are not a credit recovery program. Students will graduate based on meeting transition IEP goals and following an individual graduation plan.

DEADLINES

Final decisions from students and families should be made by May 23, 2020

Any IEP or Evaluation due before Nov. 1, 2020 must be completed by the sending school.
