SUMMER BIRTHDAYS
Any child who has a summer birthday will be celebrated this week in class. Summer birthdays are considered June (after school is out), July, and August.

REPORT CARDS
After June 10, your child’s report card can be viewed on the parent portal. Log in with your parent ID and password. Reach out to our school office if you need help logging in.

THANK YOU
I would like to thank all of you for an incredible school year. It has been an absolute joy being your child’s teacher this year. Have a great summer. Even though they are moving to 4th grade, your children will forever be “my kids”.
