

## SPRING IUPDATE AND SUMMER LEARNING PROGRAM (S-TERM) REGISTRATION

Saint Paul Public Schools (SPPS) asks parents/guardians in primary households to complete Spring iUpdate between Feb. 25 and May 31, 2019.

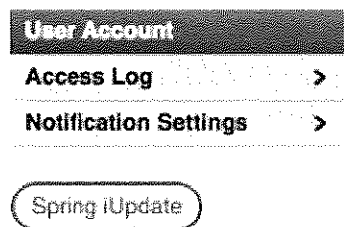

Parents/guardians can:

- Update household and contact information (phone number, email and home address) to ensure you receive important information by U.S. mail, phone, email or text.
- Register K-8 students for Summer Learning Programs (S-Term). The priority enrollment deadline is April 19.
- Indicate interest in fall sports for 9th through 12th grade students.

Please complete Spring iUpdate by May 17 to ensure your child receives **school bus transportation** on the first day of a Summer Learning Program (S-Term).

---

### What you need to do

### Log in to Campus Portal at [spps.org/onestop](https://spps.org/onestop) using your One Stop Username and Password.

- Click the Campus Portal & iUpdate button.
- Click the Login button.
- Enter your One Stop username and password. Usernames begin with the letter 'g' followed by six numbers. (gxxxxxx).
- Once logged in to Campus Portal, click Spring iUpdate in the lower left corner.

---

### If you DO NOT remember your One Stop Username and/or Password

- **Online:** Go to [spps.org/onestop](https://spps.org/onestop) and click Reset Your Password. Please note: You must have your email address or mobile phone number listed in your child's school records.
- **By Phone:** Or, call your school's main office to request your username and/or to reset your password.

---
