Time in class includes new instruction and student support

Two hours of asynchronous learning at home Monday-Thursday

Teachers take attendance Monday-Thursday; absences must be reported

Students continue to complete lessons on their iPads in Schoology

Students can switch to virtual learning for the remainder of the school year

vs.

Virtual Learning

Students learn at home Monday-Friday

Instruction is primarily asynchronous

Teachers have one hour per day dedicated to office hours and support for virtual learners

Students check in for attendance in Campus

Students continue to complete lessons on their iPads in Schoology

Students who choose virtual learning will remain in virtual learning for the remainder of the school year

Nutrition Services

- Breakfast: Students will receive free breakfast to-go upon arrival to be eaten at the start of their school day at 10:30
- Lunch: Students will receive a bag lunch at the same time they receive breakfast - this can be taken and eaten after leaving.
- Milk will remain refrigerated and can be picked up at the end of the day
- Students will have assigned seating in their Advising classes during meals to help with contact tracing and social distancing
- Virtual learning students can order meal boxes [Please use this form to pre-order your meal boxes](#) to be picked up at several different locations

Health and Safety Measures

- **Social Distancing:** When 6 feet is not possible, **a minimum of 3 feet between students will be maintained.**
- **Increased Daily Disinfecting:** Custodial staff prioritize high-touch areas such as door handles, switches, hand railings, desks and bathrooms. Bleach wipes and disinfectant sprays are available for staff use on-site.
- **Face Coverings:** Required for all students and staff unless medically exempt. Extras are available at school and on the bus if needed.
- **Daily Health Screening:** Families should check for symptoms every morning before sending your student to school. **If they are sick, they must stay home and be reported absent.**

COVID-19 Reporting

- COVID-19 Reporting
 - If your student is sick or has had close contact with someone who tested positive for COVID-19, **do not send them to school** and submit a report to the [COVID-19 Reporting System](#) the same day for next steps
 - Students who become sick during the school day will be isolated (under supervision) until they can be picked up. Prompt pickup is essential.
- When there is a case at school, the [COVID-19 Communications Protocol](#) will be followed to determine notifications needed
- Students who are quarantined will resume distance learning until they are cleared to return

SPPS COVID-19
Reporting System

Saint Paul
PUBLIC SCHOOLS

Positive Cases & Quarantines

- Every case is different
- Health & Wellness staff follow up on every medium- and high-risk report made to the Reporting System and start contact tracing
- Anyone identified as a close contact is notified and told to get tested and quarantine until the 'safe to return' date
- Building staff may receive a notification of low risk
- In general, school-wide notifications are not sent to protect privacy and reduce anxiety
- Please answer your phones and make sure you have updated contact information
- If one household member is sick with COVID-19 symptoms, then all household members should stay home or will be sent home
