

Dear Families,

September 12, 2022

Welcome to 2nd grade! There was a lot of new-ness last week as we are thoughtfully re-entering school life. We are here to support you as our SAP Wolf Pack! The students may need extra talking time at home

processing changes to their structure and teachers. Patience, kindness, and most of all, **listening** to their fears, hopes and thoughts is so important. There have been some changes, and will probably continue to be more as we carry on with our journey together - flexibility is appreciated and communication desired.

We will be spending a lot of time this week getting to know new routines, rituals, and relationships at school. Please know that while the classroom experience will be different for the children, we will strive to make it as stress-free and enjoyable as possible. We realize the need for a strong socially emotionally positive environment. Thank you for trusting us with your child, and thank you for all the supplies!

We'll also start some formative, informal assessments in math and English language arts.

**Please send charged iPads and a snack to school every day.** Most children are remembering their home folders and a water bottle, which is amazing.

All the best from all of us as we enter a good year together.

### General Information:
