Greetings to our amazing Crossroads families....

Please review the drop off and pick up procedures below. They have been designed to keep your beautiful children safe:

**Drop Off (morning arrival)**

Doors to the school will open at 7:15. Please do not come into the building until 7:15. When you enter, please proceed through the cafeteria before going into the classroom areas. This will help model for all students the route and procedure we want all community members to use.

Please park your car in a parking space if you are going to enter the building with your student. Drop off your student by pulling through the outer loop of the parking lot and stopping briefly for your children to exit the vehicle. If possible, have your students exit the vehicle on the passenger side to avoid traffic in the parking lot. Students should walk to the right of the yellow line to avoid contact with cars as they walk up the sidewalk to enter the school.

**Pick Up (Afternoon Dismissal)**

Students begin preparing for dismissal by 1:50pm and buses leave the building by 2:07pm. Leaving by 2:07pm ensures timeliness of buses at drop-off stops as well as preparedness for their next routes. If our buses leave late, they will be late to their next 3 schools. Crossroads is committed to supporting our families and the entire SPPS community through making sure our buses leave on time. If you wish to pick-up your child and NOT have them take their regular bus home, notify the front office no later than 1:40pm.

Students can be picked up in the gym starting at 1:55 pm. Please park your vehicle in a parking space. Do NOT stop in the outer loop of the parking lot, this lane needs to be clear for emergency vehicles. Adults should enter the front doors and report to the gym to sign out students. Students need to be picked-up/signed out by 2:05.
