Dear Parents/ Guardians,

Our trip to the Osprey Wilds Environmental Learning Center (formerly Audubon Center of the Northwoods) will soon be here (June 3-5, 2020). As it approaches, we’d like to keep up updated with as much information as you need to help make the trip successful for your child.

With the fundraising we have done, we were able to bring the total cost of the trip down to $75 per student. Attached are the forms listed below requiring your attention. We are asking that all forms and payment be turned in by Thursday, May 7 (last day of school before May intersession).

- Saint Paul Public Schools Parental/Guardian Authorization Form
- Osprey Wilds Liability Release
- Osprey Wilds Health Forms
- List of “What to bring and what to leave at home”

A parent meeting is scheduled for Thursday, April 2, 2020 from 5:30-6:30. To discuss the trip and answer any questions you might have. Your attendance will help insure a safe and successful experience for your child and their classmates. Our agenda for the informational meeting includes the following:

- What will my child experience while at the Learning Center?
- What clothing will insure a comfortable visit?
- What should my child bring and what should stay at home?
- What behavioral expectations should I discuss with my child?
- What forms are required? (Extra Copies will be available)
- Q & A

Thank you for your support. Please call if you have any questions or concerns. Check our website to access forms and/or find additional information. There will be an online feepay option to pay online. We are planning to make the online feepay active on Thursday, April 2.

Sincerely,
Ms. Sasse, Montessori E2 Teacher
Ms. Hitchens, Science 4th Grade Teacher
