Did almost ALL of your apps disappear?

According to our records you don’t have iUpdate completed. To be clear, iUpdate is NOT an iPad update. It is an online digital student information form that must be completed at least once per school year.

If your parent or guardian has not yet completed iUpdate, have them go to: spps.org/onestop. It is suggested that you complete this form on a computer or iPad. If you don’t have access to a computer or iPad, contact Humboldt High School to arrange a time to complete iUpdate at the school.

If you have any questions, please contact:
Humboldt High School (651) 293-8600, or the iUpdate Support Line: (651) 744-5145
