How to Register

If your student is entering kindergarten in Fall 2019, they are not eligible to attend a K-4 summer learning program.

**SPPS Students Currently in Grades K-8**
Register your student(s) online at spps.org/summer or spps.org/onestop using Spring iUpdate*. After completing and submitting Spring iUpdate, you will receive a confirmation email with your Summer Learning Program selections.

* To retrieve your One Stop username and/or password, visit spps.org/onestop or contact your student’s school.

- OR -

Complete the paper registration form included in this guide and mail it to the SPPS Student Placement Center by Friday, April 19 to meet the priority enrollment deadline.

**SPPS Students Currently in Grades 9-12**
