University of Wisconsin-River Falls Falcon Tutors

Our friendly student teachers are available from 3:00 pm - 4:10 pm Mondays through Thursdays. Their expertise ranges across all grade levels and all subject matter. Do you need help with algebra or with proofreading a paper? They can help! Each day, a list will be posted by the library front desk of the subject matter that each tutor can best help with. Speak to the Library TA about who is available to assist.

ELL Extended Day

In addition to hosting UWRF tutors, Washington Library is the location for the English Language Learner extended day program, in which licensed Washington ELL faculty will be available for extra help in core subjects. These teachers will be available from 3:15 pm until 4:30 pm Tuesdays through Thursdays.

Space Available

While the tutors are only here for the first hour, the library is open and available for student studying until 4:45 pm Mondays-Fridays. The space is perfect for completing a group project, for studying for a final exam, or even for finding a good book for the weekend! The library is always supervised by the Library Teaching Assistant and is a safe and welcoming environment for all students to succeed. For students that use public transportation to get home from school, bus tokens are available upon request given that the student spends at least 1 productive hour in the library each afternoon, regardless of if they are working with ELL teachers, the tutors, or individually.
