2018-2019 Benjamin E. Mays IB World School Family Engagement Plan (PreK-5 Grade)

School Vision:

Develop confident, literate, and responsible students who will be able to think critically, make great decisions, and become internationally minded students who pursue post secondary educational options.

School Mission:

Through rigorous intercultural and interdisciplinary studies, students will be empowered with the communication and leadership skills necessary to become productive global citizens who are inquiring, knowledgeable, and caring.

The Family Engagement Plan (FEP) is organized into four impact areas. We will be working together this year to build positive and goal-oriented relationships in each area. Families and staff at school developed this plan together.

Welcoming Environment

Welcoming Environment	
Our school has a staff member available for families to discuss this plan and ask questions	<input type="checkbox"/> Family Liaison: Karen Shanahan (651) 325-2492 karen.shanahan@spps.org
Our school communicates with families in many ways.	<ul style="list-style-type: none"> • The best way to keep informed about all school information is through our weekly emails, <i>Mays Weekly Highlights</i>. These emails arrive on Wednesday or Thursday of each week and include a calendar of events and links to further information. • We update our website regularly. Watch our school website for important information and upcoming events: spps.org/mays • Teachers send bi-weekly or weekly classroom newsletters home. Additionally, many teachers use apps to communicate with families. • School wide newsletter sent home at the beginning of each month. • Extra fliers for events are available in the office. • When families call, email, text, or send a note, we do our best to respond within 24 hours during the work week.

<p>The achievement gap, or rather the “opportunity gap,” between students of color and white students in Saint Paul Public Schools is unacceptable. Our school is working to change practices and systems by identifying the barriers that make it harder for students of color to succeed and for their families to support their learning.</p>	<ul style="list-style-type: none"> • For more about our work on racial equity, contact: Kirk Morris, Principal (651) 325-2400 • Mays staff has participated in Beyond Diversity Training and Innocent Classrooms. Staff uses the Courageous Conversations About Race Protocol (CCAR) to guide work in instruction, meetings, and other school events. Staff will further explore Critical Race Theory tenets and will launch into E3 (Education, Excellence and Equity) work. • Parents, families and community members voice their concerns and provide counter-narratives through our Mays Café gatherings and Year in Review. These gatherings will take place in fall, winter, and spring.
<p>Transitions between schools can be challenging, and we work to help families as their children start and leave our school.</p>	<p>For new students and families, we support the transition by:</p> <ul style="list-style-type: none"> • Pre-K and K families can attend a Registration and Orientation event in May preceding their entry into school which introduces them to the staff and building and helps prepare students for school at Mays. • Benjamin E. Mays IB World School hosts a Meet & Greet during the week before the new school year starts which orients families and students to the school and provides an opportunity for families to meet staff. • For our Pre-K and Kindergarten families we have Transition Conferences during the first week of September. At these conferences families meet the teacher, complete paper work, go through a brief assessment, ask questions, and share concerns about their student’s education. • Families who start during the school year receive an orientation packet and a school tour. • Mays CAFEs and Year in Review held three times a year (fall, winter, spring) give new families an opportunity to engage with administration, staff, and teachers as well as with other parents. • Mays hosts Take Your Parent to School Days for Pre-K, K, 1st, and 2nd Grade students which familiarize families with curriculum, standards, and daily routines. • Open House for Prospective Families in February 2019, introduces families to Mays and the IB Programme. • School tours are available upon request. • Mays publicize and encourages families to attend the district’s Blast-Off to Kindergarten event.

	<p>We support transitions within school by:</p> <ul style="list-style-type: none"> • We host a school-wide Transition Day in May during which time the students who will not loop with their teacher will visit a classroom of the next grade they will achieve. • Parents are invited to a Pre-K to K Transition Day and a K to 1st Grade Transition Day in spring. • Staff will loop with their classes in grades 1-2, 3-4 • PBIS Committee develops clear school-wide expectations. They support staff in the teaching of these expectations across all grades. • The IB framework supports transitions within the school. Students study the same six transdisciplinary themes throughout grades k-5 (because of time limitations, pre-k participates in fewer transdisciplinary themes). They aspire to, and are taught, the same Learner Profile and Attitudes. The same five skills are developed and the same action cycle is reinforced. <p>For students and families moving to the next school in their pathway, we support the transition by:</p> <ul style="list-style-type: none"> • Benjamin E. Mays IB World School hopes to increase articulation for our IB program (Ramsey, Hazel Park, and Highland). • 5th grade IB Exhibition at the end of May, the culminating IB event for the PYP Programme, encourages families and students to continue their IB education. • Mays will host a Middle School Transition Day during which 5th Grade students will participate in a mock day at middle school. • Mays 5th Grade students articulating to Ramsey Middle School will have the opportunity to visit Ramsey in the spring with our school counselor.
