615.00 FAMILY INVOLVEMENT

1. Each school site shall collaborate with its community of families to ensure family involvement in the education of their children. Each school shall implement a strategy that:
   • Takes a research-based, comprehensive approach to parent involvement and expectations that includes the following elements:
     o Parenting
     o Communicating
     o Volunteering
     o Learning at Home
     o Decision Making
     o Collaborating with the Community
   • Shares responsibility for high expectations and student performance.
   • Builds the involvement capacity of school, program staff and families.
   • Increases access and engagement of all families with children.

2. The end result will be to insure integration of family-school involvement throughout district activities, including development and evaluation of district and school improvement plans.
