

Childcare Partnership

Level 2

Saint Paul Public Schools Office of Early Learning aims to partner with families and communities through initiatives for our young learners.

Partnerships Coordinators coordinate systems of support through a mixed service delivery approach. We offer a variety of opportunities that work well for the families and communities we serve.

As a **Level 2** partner a *Parent Aware* rating is not required. The benefits of your participation include:

- ◆ Materials and resources for on-time kindergarten registration
- ◆ Resources for Early Childhood Screening
- ◆ Distribution of monthly electronic *Blast Off To Kindergarten* community calendar
- ◆ Invitations to participate in quarterly *Blast Off to Kindergarten* family events
- ◆ Invitations to networking opportunities offered to all partners
- ◆ Invitations to shared professional development opportunities offered exclusively to Level 3 childcare partners.
- ◆ Limited childcare Director/Manager/Provider consultation
- ◆ Initiation of a partnership with a Saint Paul Public School for the purpose of Kindergarten transition
- ◆ Access to the SPPS and *Minnesota Children's Museum* partner incentive
- ◆ *Summer Fun Booklets* for eligible children

Testimonials

Griselda A., Partner since 2015

I know the goal is to provide support for children to have quality experiences before and after transition, but beyond that you guys have helped me through the different transitions my business has gone through and this helped me know that I could transition and still provide the same quality.

[His] support of families and teachers supported our overall program goals.

Shelly T., Partner since 2015

The trainings this year were awesome; extremely helpful for our team!

Angela C., Partner since 2015

Danielle R., Partner since 2015

Our families were more informed and involved through the opportunities offered.

Having someone from outside is helpful since we are so internal.

Michelle E., Partner since 2015
