

Early Care and Education (ECE) Partnership – Level 1

Saint Paul Public Schools Office of Early Learning aims to partner with families and communities through initiatives for our young learners.

Partnerships Coordinators coordinate systems of support through a mixed service delivery approach. We offer a variety of opportunities that work well for the families and communities we serve.

As a **Level 1** partner a *Parent Aware* rating is not required. The benefits of your participation include:

- ◆ Materials and resources for on-time kindergarten registration;
- ◆ Resources for Early Childhood Screening;
- ◆ Invitations to participate in annual STEPS and networking opportunities offered to all partners;
- ◆ Access to partner incentives and our Early Care and Education Resource Library; and
- ◆ *Summer Fun Booklets* for eligible children.

Testimonials

Your coaches are very helpful, we really appreciate everything you have done for our teachers.

Mackenzie,
Partner since 2019

To have a person take some of the weight off and meet with my teachers has been very helpful.

Danielle R., Partner since 2015

I think our work with early providers is important because by reaching more St. Paul children they can be ready to enter school.

Nelson P., Partnerships Coordinator

I enjoy connecting with providers, children and families; it has been impactful for all of us. We continue growing together.

Janny M., Partnerships Coordinator

Your commitment would include:

- A signed *Partnership Plan*;
- Limited ECE Provider/Owner/Director/Manager consultation;
- Distribution of materials and resources to families; and
- Sharing your partnership enthusiasm with others!
