Recommended Elective Credits for College and Career Readiness		
Math	4	4 credits x 1 year Additional coursework in math is encouraged and required for many colleges and career training programs.
Science	4	4 credits x 1 year Additional coursework in science is encouraged and required for many colleges and career training programs.
Indigenous or World Language	8	4 credits x 2 years or: Achievement of the World Language Proficiency Certificate or the Seal of Biliteracy (Gold or Platinum) There is no MDE requirement for indigenous or world language, however, many colleges require at least two years of an indigenous or world language.
Assessment		
<p>According to the Minnesota Department of Education (March 27, 2020), "Districts have a number of requirements to fulfill for students' career and college planning for students first enrolled in grade eight in 2012-13 and later. This includes offering students in grades 11 and 12 an opportunity to participate in a nationally recognized college entrance exam (ACT or SAT) on a school day." SPPS currently offers a school day ACT in the spring of each school year.</p>
