> There is a new referral process! Click the link above to send a meeting invitation and make a referral. You do NOT need to email us separately.

> At the end of the year, you will be sent a short form to verify if students will be attending. No more long online referral!

The deadline for referrals is May 24, 2019.

Reminder: Any IEP or ESR due before Nov. 1, 2019 must be completed by the sending school.

ELIGIBILITY

Students are eligible for transition services after high school if:

- > they have an educational disability across all categories
- > they have documented unmet transition needs in the IEP and ESR
- > they have transition goals in the IEP
- > the transition needs are the result of the educational disability
- > the needs cannot be met by an outside agency or other supports
- > they have completed 12th grade

Students who are short credits can be referred, but we are not a credit recovery program. Students will graduate based on meeting transition IEP goals and following an individual graduation plan.

TOURS

Tours are encouraged and are offered at the following times:
Tuesdays at 10:15 am or Thursdays at 12:30 pm
