Portfolio Review
Form-Parents/Guardians

Saint Paul Public Schools uses the portfolio review to determine if a student qualifies as an advanced learner. The portfolio review is an opportunity for students to be assessed through measures beyond a standardized test. The portfolio review is a multi-dimensional, collaborative process that provides an overview of the student’s gifts, talents, potential and areas of strength. If you have questions about this form or the portfolio review process, contact the Talent Development and Accelerated services team at 651-755-5409 or tdas@spps.org. For each area that the student demonstrates above average skill, please describe your observations and thoughts.
