Coffee shop/School store Update

We officially have the go to build walls in the foyer. Our next step is to find contractors that would be interested in working on the project and give us quotes. If you know anyone that would be interested, please let me know.

For now, we will continue to run out of the concession stand. We will open the 2nd week in October.

We also have ordered new gear and it will be here soon. Congrats to Ava Lundy and Biruktawit Aschale for the winning designs below. Order sheet to come.
