

## What is a Family-School Compact?

A family-school compact for achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

## Jointly Developed with Parents

The parents at Highland Park Elementary helped develop the compact for achievement. School-wide meetings are held each year to update the compact. Parents are welcome to contribute comments at any time.

For more information on the fourth grade compact, please contact Kara Kipfmuller at 651-293-8770 or email at [kara.kipfmuller@spps.org](mailto:kara.kipfmuller@spps.org).

*HPE encourages all families to volunteer, take part in, and observe classroom activities.*

### **Communicating about Learning**

HPE is committed to communicating regularly with families about children's learning, including:

- HPE student planners
- Weekly Thursday communications folders
- Monthly building newsletter
- Classroom newsletters
- Email, phone calls, and letters
- Family Handbook
- HPE PYP Inquiry website

Families are encouraged to contact their child's teacher as often as needed.

## Teachers, Parents, Students – Together for Success

### International Baccalaureate Primary Years Programme (IB-PYP)

The goal of PYP is to provide a rigorous, global education that embraces inquiry-based teaching and learning with real life applications. It recognizes and addresses the importance of producing internationally-minded students who will be prepared for and be successful in a diverse market. This means our students think and act globally as they inquire, explore issues hands-on, reflect, and take action to solve problems.

### School Goals

**Reading:** The percentage of HPE students scoring proficient or higher in reading will increase by 5 percentage points from the 2021 scores in every student group by May 2022 as measured by the MCA Reading Test administered in April 2022.

**Math:** The percentage of HPE students scoring proficient or higher in math will increase by 5 percentage points from the 2021 scores in every student group by May 2022 as measured by the MCA Math Test administered in April 2022.

**Social Emotional Goal:** The percentage of students with more than two office discipline referrals will decrease from 5% to 2% as measured by the Campus behavior report by May 2022.

### District Goals

SPPS Achieves Long Term Outcomes:

- Decrease disparities in achievement based on race, ethnicity, culture and identity
- Increase achievement of English Learners
- Increase achievement of students receiving special education services
- Improve kindergarten readiness
- Increase academic growth in reading and math for all students
- Prepare all graduates for college, career, and life

**As a Highland Park fourth grade teacher, I will:** work with students and their families to support student success in reading and math. By the end of fourth grade students are expected to:

#### Math:

- Add, subtract, multiply, and divide multidigit numbers based on knowledge of place value
- Read, write, compare, and order decimals to the hundredths place value
- Describe, classify, and sketch angles, triangles and quadrilaterals
- Describe, classify, and sketch angles, triangles and quadrilaterals
- Know multiplication facts through 10
- Interpret a variety of graphs
- Solve multi-step math problems involving addition, subtraction, multiplication, and division
- Add and subtract fractions with like denominators
- Calculate the area of a rectangle
- Calculate the perimeter of shapes
- Solve input/output rules

#### Literacy:

- Read with fluency, accuracy and comprehension at Fountas & Pinnell level T
- Refer to details and examples in the text and explain what the text means
- Determine the meaning of words and phrases used in a text
- Make connections when reading
- Develop life-long reading skills

*I will also:*

- Communicate with families at least biweekly to share information about our class in an electronic newsletter
- Email all notices and information about classroom and school events in a timely fashion

**As a Highland Park student, I will:**

- Have my iPad charged and be ready to learn every day
- Work to the best of my ability
- Read for a minimum of 30 minutes daily
- Complete all assigned homework
- Follow the school and classroom essential agreements

**As a Highland Park family, we will:**

- Make sure our child checks in with the school on time every day
- Call the school to report our child's absence
- Review our child's schoolwork and homework
- Read with our children every night
- Have fun with math – play games together and practice with flash cards
- Play word games with the new vocabulary words and find ways to use these words in family conversations
- Attend family fun nights when possible
- Attend conferences
- Attend PTA meetings when possible
- Volunteer at the school when possible
- Look for the class and school newsletters each month and check out the school website
- Read email communications from teachers, principal and the PTA

### PYP Learner Profile:

In order to shape students into global citizens who recognize a common humanity and a shared guardianship of the planet, the PYP emphasizes key learner profiles.

**Balanced** - I work and play hard.

**Caring** - I help others and I am nice.

**Communicator** - I share my ideas with others.

**Inquirer** - I ask questions to learn new things.

**Knowledgeable** - I try to learn many things.

**Open-minded** - I accept other points of view.

**Principled** - I try to do what is right.

**Reflective** - I think about how I can improve.

**Risk-taker** - I try new things.

**Thinker** - I connect the things I know.
