WELCOME BACK from Student Council!
Service Dog at Highland

THERE IS A WORKING SERVICE DOG IN OUR SCHOOL

Please do not:

1. Pet him
2. Talk to him
3. Feed him
4. Distract him
Lesson 1: Welcome Back!

Wearing a face covering, social distancing, and proper hand washing
A return to school comes with some new responsibilities!

We will all have to work together to keep one another as safe as possible. That means that we need to…

- Wear a face covering consistently and properly
- Follow social distancing practices
- Use consistent and proper hand sanitation techniques

It may not be what we want to do, but it is what we need to do to make this work.

Mask Up!  Spread out!  Clean hands!
Mask up!

A face-covering must be worn **AT ALL TIMES** while you are on the bus and in the building.

Wearing a mask can help stop the spread of respiratory droplets from transmitting in the air, landing on surfaces or people. By wearing a mask over our nose and mouth, we are doing our part to stop the spread.
Mask up!

Wear a clean face mask each day. Cloth face masks can be washed by hand or in the laundry.

*Your face mask needs to cover your nose and mouth!*

Always follow staff instructions regarding the use of face coverings. Questions? Just ask!
SPPS will provide three cloth face masks for each student if needed. Additional disposable face masks will be available for students that lose or soil their face covering during the school day.
Spread out!

As we move through the building and work together in classrooms, we need to be aware of keeping space between ourselves and others.

At times, we may need to follow occupancy guidelines to prevent too many people from being in the same space.

Try to keep 3 feet social distancing at all times!
Spread out!

Our classrooms will be divided into safe work areas. Stay within your area as much as possible. Limit your movement around the room. Work to keep safe distances.
**Clean Hands!**

All classrooms will have spray bottles of hand sanitizer that we will use to sanitize our hands.

- On the way into the classroom…
- On the way out of the classroom…
- After you eat your lunch…
- And as often as needed during your time in the classroom!
Clean Hands!

Follow proper hand washing techniques after using the bathroom. (Always!)
Lesson 2: Arriving to the Building

This lesson will cover our practices and procedures from leaving our homes to entering our classrooms.
From your home to your classroom…

*What do you need to do?*

We will learn about the following procedures in this lesson:

- Health Self-Screening
- Proper bus protocols
- Entering the building
- Entering your classroom

*Mask Up! Spread out! Clean hands!*
Health Screening - Self Check

Before we leave for school, we should complete a self check for potential symptoms of COVID-19. Doing these screenings on a regular basis is a good way to limit the chances of us being around others if we could potentially spread COVID-19.

Bus assignments

- You should have received your bus route information from the school district.

- These are busses at the usual bus areas, not the ones set up for the limited in-person support we have had for the past couple of months.
Proper Bus Protocols

● Wear a mask at all times when on the bus.
● Fill the bus from the front to the back.
● Follow the bus seating protocols for proper spacing.
● Allow the riders in front of you to exit first to keep safe spacing.
● Always follow driver instructions!

Mask Up!Spread out! Clean hands!
Entering the Building

- Enter the door in the link area off Snelling avenue.
- Pick up your Lunch To Go.
- Then go directly to your first class of the day.

Listen for and follow staff instructions as you enter the building!

Lesson 4: Leaving the Building

This lesson will cover our practices and procedures for leaving the building.
Leaving the building and back home…

What do you need to do?

We will learn about the following procedures in this lesson:

- Classroom dismissal procedure
- Review bus protocols

Mask Up! Spread out! Clean hands!
Dismissal Procedures

- At the end of the day we will start dismissing a few classrooms at a time.
- When your room is dismissed you must exit the school as soon as possible. (unless you are reporting to a school activity.)
- Please do not gather in groups and stay to the right in the hallway.

Mask Up!  Spread out!  Clean hands!
**End of Day - Clean Hands**

The last things you should do as you leave the room is to clean your hands with disinfectant spray, provided by your teacher, and also please clean your desk with materials supplied.

**Disinfectant Spray for Hands:**

Highland has AWESOME custodians!

They will be working hard day and night to keep all areas of our building clean and safe.

If you get a chance, tell them THANK YOU!
