## **Class of 2021 Fundraiser**

We are four months away from graduation day! While there are many unknowns, one thing is for sure, we will be celebrating the Class of 2021! Thanks to everyone who helped contribute to the drive through celebration in the fall. Sherri Savage and Vineeta Sawkar Branby are still in close contact with the district and are working on plans to celebrate our grads and follow all guidelines. More information to come! In the meantime, Crisp and Green in Highland Village will donate 15% of its proceeds to our senior class fund on Sunday, February 21st as long as you mention HPSH or use the code on the flier. Please support a wonderful Highland business and help support our seniors as well. We will use money from our Go Fund Me as well as fundraisers to work on celebrating our seniors safely in the spring. Here is a link to the Go Fund Me if you would like to contribute: <https://www.gofundme.com/f/class-of-03921-senior-year-fund-for-activities>

## **Math Team News**

Highland's math team concluded the regular season by winning the section on Monday, February 8th, punching their ticket to State for the 26th year in a row. Highland defeated its closest section competitor, Mahtomedi, by a score of 63-53. Highland is starting 6 seniors and 2 freshmen- the 6 seniors were starters two seasons ago when as sophomores they won our 3rd state championship in our school's history. The team very much hopes to make it a 4th and have the added pressure of currently being ranked #1 in the class AA. State will begin on March 8th with the top 50 individuals competing against each other that includes Highland's Leo Witzke and Josh Taylor. Team competition will occur on March 15th when Leo and Josh will be joined by Clare Murphy, Anindita Rajamani, Mikayla Nelson, Duncan Ong, Ian Witthoft, and Bodie Zwank with Kristen Nguyen as an alternate. The team is coached by Mike O'Connell and Chris Anderson. Go Scots!

## **Caafimaadka Ardayda Iyo Qoysaska - Student & Family Wellness**

It is easy to feel like we “should” be used to our new normal seven months into the COVID-19 pandemic response, but in truth we continue to live in unprecedented times. The tips for coping in a pandemic below are pulled from an article that has been widely circulated and is worth a read or re-read. Read the article [here](#).

### **Tips for Coping in a Pandemic**

1. Accept that life is different right now – not giving up, and not wasting energy resisting reality
2. Expect less from yourself and replenish more. Explore the questions below now that so many support systems are not currently available.
  - o Where do I get my energy?
  - o What kind of down time do I need?
  - o What routines do I need right now?
3. Recognize the different aspects of grief – denial, anger, bargaining, depression, and acceptance. All can be experienced at different times and out of nowhere, and it is natural to grieve the way of life that we were previously used to living.
4. Look for activities, new and old, that continue to fulfill you.
5. Focus on maintaining and strengthening important relationships.
6. Build your resilience by focusing on sleep, nutrition, exercise, meditation, self-compassion, gratitude, connection and saying no.

### **Tips for Helping Youth Cope in a Pandemic**

Families and schools support children and teens by providing safety, soothing them in difficult times and ensuring they are seen.

**Safety** - Providing as much consistency as possible, helps young people feel safe. Try to just be there for your child and create the typical and predictable routines.

**Soothe** - Caring adults provide a calming presence to young people during difficult times. Children may benefit from seeing adults with a sense of confidence and hope.

**Seen** - Listen to your child and recognize when they seem uncomfortable or there is a change in behavior. Honor their unique story and emotions.

HPSH Counselors and Social Workers are here to support you and your family. For further information and resources please visit the counseling section of our school website [here](#).
