

# All Kids Count!

## 2020 Census

Every ten years, the United States counts everyone that lives in the United States, regardless of your immigration status.

Saint Paul Public schools wants **ALL** of our kids to be counted.

### WHY? COMPLETING THE CENSUS IS VERY IMPORTANT

- Counting all of your children in the census means more funding for local schools
- The census happens only ONCE every ten years and determines community funding for education, childcare, and other services children need, including:
  - Medical Services
  - Childcare
  - Public Transit
  - WIC
  - Public School
  - Affordable Housing

### IS IT SAFE? WILL MY INFORMATION BE PRIVATE?

- Responses are confidential by law
- There are NO Citizenship Questions
- ELIMINATE a home visit- complete the census for your household on-line, by phone, or by mail
- Count EVERYONE living with you - your information is confidential and won't be shared
- Need help - Ask a trusted provider in your community

### HOW CAN I DO MY PART?

It takes just ten minutes!

On Line — Fill out the 2020 Census form online today:  
[my2020Census.gov](http://my2020Census.gov)

By mail — send in the form that was mailed to your house

By phone — call  
844-330-2020
