

John A. Johnson Achievement Plus

Student Learning Outcomes:				
Why?	1	Schoolwide Goal:	70% of all students will be engaged in culturally relevant instruction by May 2021, as measured by student surveys, walkthrough data, and family surveys.	
	2	Mathematics Goal:	The percentage of all students scoring proficient or higher in mathematics will increase from 14% to 20% by Spring 2021 as measured by the MCA III Math Assessment administered in April 2021.	
	3	Reading Goal:	The percentage of all students scoring proficient or higher in reading will increase from 19% to 25% by Spring 2021 as measured by the MCA III Reading Assessment administered in April 2021.	
What?	Evidence-based Practices per Goal:		Implementation Stage:	SPPS Achieves Alignment:
	1	Family Engagement in Decision-making	Implementation/Initial or Full	Family and Community Engagement
	2	SPPS Math Review/Number Talks	Learning/Exploring or Installing	Culturally Relevant Instruction
	3	SPPS Guided Reading	Standard/Sustaining	Culturally Relevant Instruction
Who?	Implementation Targets:			
	1	50% of families will share input with the school in one more of the following ways to help the school make the best decisions for students and families: family surveys, family events and meetings, and Parent Leadership Team.		
	2	75% of classroom and special education teachers will focus on engaging students in discussions about how they think about math.		
	3	80% of classroom and special education teachers will focus on students' understanding of both fiction and non-fiction texts in large and small group teaching.		
75% of classroom and special education teachers will regularly monitor students' progress during small-group reading instruction and use the data to better meet students' needs.
