Wild About School Lunch

Go WILD for school lunch every day!
The giraffes favorite foods are leaves, fruits and seedpods. A giraffe can go for weeks without drinking. Why do you think that is?
Did you know reindeer have an excellent sense of smell? They use this sniffing superpower to find food that’s buried under the snow.
The bison is the largest land mammal in North America. Bison eat up to 24 pounds of food a day!
A Galapagos tortoise stores food and water so well that it can go up to one year without eating or drinking anything!
Chloe the Sloth has a diet that consists mainly of leaves. She sleeps up to 15 hours a day and moves very slowly. Why do you think that is? What would happen if your school lunch was only lettuce?
