**Information for all grades**
This is a free after-school program that offers students' academic learning activities. The program begins March 14th and is held immediately after school for two hours. Classes are led by licensed teachers, community experts and community instructors. As part of your child’s participation, they will have a Continual Learning Plan that works toward the following academic and social emotional goals:
1) Improve standards based academic skills; 2) Gain college & career skills; 3) Gain social emotional skills.

**Program Evaluation Participation**
This afterschool program continually works to improve the program quality and experience for students through regular evaluation. By enrolling in this program, your child will participate in program evaluation activities such as surveys. These activities help us get funding so the program is free for St. Paul residents. For detailed information, please see the Data Privacy Notice. Surveys are also available for review at www.spps.org/flipside.

- [ ] Yes, I give my child permission
- [ ] No, I do not want my child to participate

**Transportation from Flipside to Home**
Transportation (school bus) home will be provided on **Mondays and Wednesdays**

On days that there will be no busing, please select your transportation plan:
- [ ] Student will safely walk home
- [ ] Student will have a ride home and will get picked-up
- [ ] Student can safely ride the city bus home with bus tokens provided
- [ ] Student does not have a way home – they will sign up for virtual classes only

**Permission for Media Release**
Staff of Saint Paul Public Schools, community organizations and media representatives may want to interview, photograph or videotape your child for use in publications, television reports, public presentations and websites. The photographs may be of groups of students or individuals, and the students’ names may be used. For student protection online, a student’s photo and last name will not appear together on school or District websites. Thank you for your cooperation in helping us highlight the good work and efforts of our learners and instructors.

**Please check one:**
- [ ] Yes, I give permission for my child to be photographed and interviewed and permission to have my child’s name used. Only first names will be used on a school or District web page if a photograph of that student is also displayed on the webpage.
- [ ] Yes, I give permission for my child to be photographed, but do not want my child’s name used along with the photograph.
- [ ] No, I do not want my child photographed or interviewed and do not want his or her name used.

**Parent/Guardian Signature:**

---

By completing this form, I understand that my child’s participation in this program is voluntary and that I understand the program goals.

Spring Session Descriptions

MONDAY/WEDNESDAY CLASSES

Class Title: Take A Picture: The Art of Telling Stories through Photography
Teacher/Partner: Aaliyah McQueen
Description: *Take A Picture* will introduce students to how cameras work and how to tell their own stories by using visual language and the written word. Participants will be able to use their own cameras, or may borrow cameras during the sessions. This class includes hands-on learning with cameras and the opportunity to create photos and written pieces that can be shared publicly through a school exhibit.

Class Title: CreaTECH at the Saint Paul Public Library (WEDNESDAY ONLY)
Teacher/Partner: SPPL Staff
Description: Middle school students will walk to George Latimer Central Library and engage in hands-on creator and maker activities with SPPL staff. Learn to create using a laser engraver, a 3-D printer, and a vinyl cutter! Play games, learn crafts, and make friends at your local library!

Class Title: Flipside Hoopers Basketball Club
Teacher/Partner: Andrea Florez
Description: Stay after school and play basketball with your friends! Open gym is available to middle school students of all skill levels. Stay, play, compete, and have fun!

Class Title: Board Games and Math Skills
Teacher/Partner: Matt Martell
Description: Grow and sharpen both your board game and math skills. Play new games, develop strategies, and have fun! We will play a variety of tabletop games. If you want, take a break from playing to get help with your math work!

Class Title: Youth Conquer
Teacher/Partner: World Youth Connect
Description: Students will learn leadership skills and public speaking skills as they go through a journey of learning about their culture, identity, and heritage. At the end of this 10-week program, students will create a presentation about their culture!

Class Title: Flipside Music: Rock Band
(BLUE on MONDAY ONLY, RED on WEDNESDAY ONLY)
Teacher/Partner: Ben Gualtieri
Description: Join a rock band. Play music.

TUESDAY/THURSDAY CLASSES

Class Title: Dungeons and Dragons
Teacher/Partner: Skot Rieffer
Description: Build a story of heroes questing for treasure, battles with deadly foes, daring rescues, courtly intrigue, and so much more. Players of all experience levels are welcome to participate in this series, facilitated by a local DnD expert.

Class Title: UBB: Building Your Own Longboard
Teacher/Partner: Urban Boat Builders
Description: Build and customize your own longboard skate board! At the end of this class, each student will have their own longboard and helmet.
**Class Title: Dance Club (THURSDAY ONLY)**
Teacher/Partner: Deja Carabello
Description: This class will provide a creative space for young and aspiring dancers. Students will be receiving open-style choreography at beginner and intermediate levels. Students will also be learning to deepen expressions through movement, strength training, and yoga stretching.

**VIRTUAL CLASSES**

**Class Title: Online Gaming - Flipside EDGE**
Meets: Monday/Wednesday from 4:00-6:00pm (online) OR Tuesday/Thursday from 5:00-7:00pm (online)
Teacher/Partner: eHudl – Don Allen
Description: This is where boredom ends and afterschool gaming and esports begin. Whatever you play, however you play, we’re the engine that drives your fun. Play with or against your friends with no coach required. See you on the EDGE!

**Class Title: Dakota Language Club (MONDAY ONLY)**
Meets: 4:30-6:30pm (online)
Teacher/Partner: American Indian Family Center & Interfaith Action – Lisa Yankton
Description: This class will focus on learning Dakota language, culture, and ways of life. All students are welcome!

**Class Title: Indigenous Art (WEDNESDAY ONLY)**
Meets: 4:30-6:30pm (online)
Teacher/Partner: American Indian Family Center & Interfaith Action – MaryBeth Garrigan
Description: Express yourself! Students will sketch and paint with professional artists from St. Paul. Students will receive art supplies to use at home and will be able to keep and/or exhibit whatever they create. All students are welcome!

**Class Title: Building your Legacy: Project AIM**
Meets: Mon/Wed from 4:00-5:00pm (online)
Teacher/Partner: Jill Collins
Description: What legacy do you want to create for yourself? Can you see yourself as a successful adult? Join this class to learn how to set goals, identify strengths, build communication skills and reduce risk-taking behaviors.

**Class Title: Film Appreciation**
Meets: Tuesday/Thursday from 4:30-6:30pm (online)
Teacher/Partner: Austin Kennedy
Description: Students will learn the origins of movies, starting with early silent films and how they evolved into talkies, and then to color films. Explore films of every genre and era while studying iconic filmmakers. Watch films while discussing their meaning and importance, and learn to watch movies with a more critical eye. Films ranging from G to PG13 (no R ratings) will be shown. Students will also be assigned a filmmaker to research and present a critique of a favorite film.

**Class Title: Design Team**
Meets: Tues/Thurs from 5:00-7:00pm (online)
Teacher/Partner: Science Museum – Rose Jennings
Description: Design Team is a program that allows students to explore STEM (science, technology, engineering and mathematics) and SOCIAL JUSTICE (Promoting tolerance, freedom, and equality for all people regardless of race, sexual orientation, national origin, handicap, etc.) through hands-on leadership activities. We will build things, break things, create things as well as design things! Participating in the Design Team comes with the perks of receiving complimentary Science Museum tickets and discounts at museum stores for you, your family and friends. Design Team students also get a chance to come to the Science Museum on Saturdays to meet and work with other Design Team students from all participating schools.

**Class Title: My Future, My Choice, My Path to Excellence!**
Meets: Tuesday/Thursday from 4:30-6:30pm (online)
Teacher/Partner: Annette Lee
Description: Students will explore different career options and college choices, and they will take career interest assessment surveys.
