

Welcome to 3rd Grade!

I am so excited to get to know you and your lovely children this year!

A few things about me...

- I have been teaching in St. Paul for 17 years!
- My husband teaches at Central High School, my daughter is a senior at Central, and my son is a 6th grader at Global Arts Plus.
- I love to spend time with my family and friends, do anything outdoors, travel, and read books.

Do you wonder what school will be like this year?

- You are not alone! Here are a few things I do know:
 - There will be “synchronous” meaning “live lessons when I can see and talk to students” every day. Your child may not have synchronous lessons every day, but your child will be in a group and we will meet and learn together.
 - There will be “asynchronous” learning activities where your child will watch a lesson and complete work.
 - This does NOT mean that your child will be on the ipad all day long. My goal is to have your child do some activities on the ipad, but a good part of

the activities will require creativity that is not necessarily ipad creativity. Students can take a picture of their work and then post it in their Seesaw Journals.

- We will be easing ourselves into the school year, but there will be extra activities if your child wants to complete them.

Other Information

- If you or your child has a question about ANYTHING, please email me. I am here to help as much as I can.
- I plan to set up meetings on Google Meets with your child's ipad so I can start to get to know you and your child. Please email me with a few days and times that work for you.
