Greetings!

Thank you to everyone who participated in our Family Fun Night last Thursday, October 30th at the LMAP lower campus. It was great to connect with so many families. Special thank you to the LMAP PTA for sponsoring the event.

This week we have several performances. First, we have our second graders showcasing their learning on CARES with performing artist in resident, Brian J. Evans. The gathering for the **lower campus will begin at 3:30pm** in the cafeteria.

Additionally, this Friday, November 6th we will host our **1st Annual ELEGANT EVENING: A Night of Entertainment and FUNdraising** at the upper campus from 7:00pm until 8:30pm. The event will feature performances by staff and families in an effort to raise funds for our arts residencies at both campuses. Please invite family and friends to this new and exciting performance! Help spread the word. **Donations from those attending the event will be accepted at the door on the night of the event.**

If you are not able to attend the event Friday night you can still get involved with our fundraising campaign that's happening in collaboration with the **Give to the Max Day on November 12**. The easiest way to donate or direct donors to our fundraising page is to click on the Donate button (in the upper right hand corner) on the LMAP home page at lmap.spps.org. You can also use a QR reader to read the code below that will bring you directly to our GiveMN page. All funds raised for these two events go to our artists in residence program.

Lastly, congratulations to all of our Fall Sports athletes. We will be recognizing all of the athletes this Friday at the **upper campus gathering in the gymnasium at 3:15pm**.

I look forward to connecting with you at our upcoming events.

Respectfully,

Bryan E. Bass, Principal
