See us in person!

At Girl Scouts, girls discover who they are, what they’re passionate about, and what they want to achieve in the future—all in a unique, all-girl place designed to help them reach their full potential. They form lasting friendships, connect with people in their communities, and turn ideas into action. And through our program, the Girl Scout Leadership Experience, girls develop a strong sense of self, display positive values, and seek challenges at every turn.
