### Dropping a Class:

Classes may be dropped with a grade labeled NO MARK (NM) and will **not** be counted in the Grade Point Average (GPA) up until mid-quarter grades are finalized. If a course is dropped after the mid-quarter grades are finalized a grade of N (failed) **will** be assigned and will be included on a student's permanent transcript and in the GPA. Please see the following dates for the 2019-2020 school year:

<b>Quarter 1</b>	<b>Friday, October 4, 2019</b>
<b>Quarter 2</b>	<b>Friday, December 13, 2019</b>
<b>Quarter 3</b>	<b>Thursday, February 28, 2020</b>
<b>Quarter 4</b>	<b>Friday, May 8, 2020</b>

Classes dropped **after** the above dates will be assigned a grade of N, which **will** be included on the permanent transcript and **will** affect the GPA.
