Central Service Field Trip

**Description:** On February 25th Central students have a non-traditional schedule. While juniors take the ACT, 9th and 10th grade students are invited to participate in the first Central Service Day. This is an opportunity to give back and volunteer in the community. Students who choose to participate will be provided with transportation to and from their volunteering experience.

**Why Participate in the Central Serves Day?**
- Volunteering is a great way to give back to your community.
