April 29, 2020

Dear Saint Paul Public School Permit Holders,

As part of the District’s on-going COVID-19 response planning and per guidance from the Minnesota Department of Health and the Governor’s Emergency Executive Order 20-41, we are writing to inform you that **all permits will be cancelled from Monday, May 4 through Wednesday, June 10.** This is an extension to the permit cancellations that occurred for all permits from Monday, March 16 through Sunday, May 3. This applies to both internal (SPPS) and external events. Should cancellations extend past June 10, additional communications will be sent no later than June 1st.

Additionally, the [Minnesota State High School League](https://www.mshsl.org) has canceled all events for the remainder of the 2019-2020 school year, so athletic permit holders are requested to verify with their coach or Athletic Director the status of their event on an on-going basis.

We are all in a unique and unprecedented time. As always, our students’ and community’s health and wellness is our primary concern. As we continue to monitor this evolving situation, we will update you on decisions that are being made. Please continue to monitor our [SPPS COVID-19 webpage](https://spps.org/covid-19) for the latest information.

Any fees related to your cancelled permit will be waived, and a credit will be given for payments already made. At such times as building operations resume, please contact the Permits Office to reschedule your event as needed. If your event is scheduled to occur after June 10 and you would like to modify or cancel your event due to social distancing guidelines, please contact the Permits Office.

Please reach out to the Permits Office at facilityuse@spps.org with any questions you have or other ways we can support your needs. Thank you in advance for your patience and understanding.
