

# School: Daytons Bluff Elementary District: St. Paul Public School District

The number of students attending school regularly

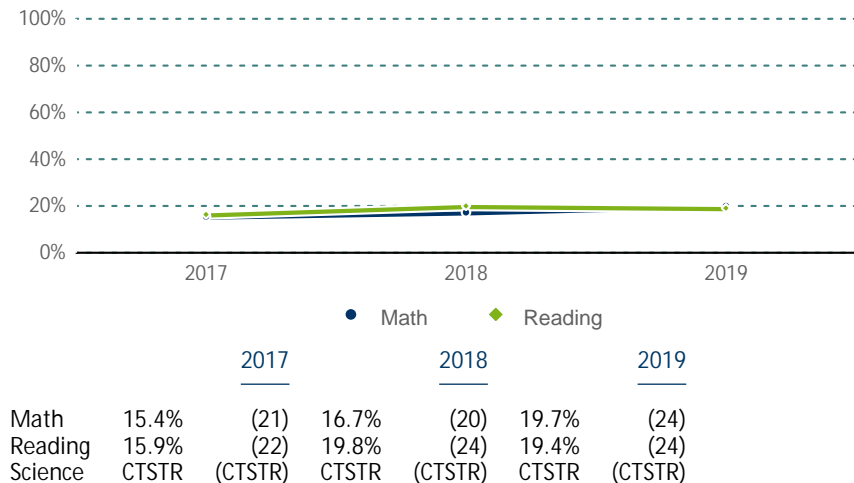

This is a measure of students who attend school on a regular basis and are not frequently absent. A student is considered consistently attending if they attend more than 90 percent of the time the student is enrolled during the year.

At my school, teachers care about students

No Engagement and Safety data available for this organization.

The number of students meeting standards in math, reading, and science over time

Graduation rate over time

Data is not available for current selection(s).

## School: Dayton's Bluff Elementary District: St. Paul Public School District

### Message from the school:

Our richly diverse neighborhood school is next to the Dayton's Bluff Recreation Center on Saint Paul's East Side. As an Achievement Plus location, Dayton's Bluff is a full-service community school that focuses on raising student achievement. Our school and community partners work together to provide resources that help students and families continue to succeed. Collaboration with our community partners gives us many on-site resources including: assistance with basic needs, after-school programming, mentoring, dental services, and mental health services. Students at our school are encouraged to ask questions, solve problems and discover how things work. Our instructional content coaches help students understand their skill level and learn how to monitor their academic growth. With classes in science, music and physical education, each child receives a full day of learning through core academics and other activities.

The message above is provided by the school and has not been verified by the Minnesota Department of Education.

This school has been prioritized for comprehensive support because it is in the lowest 5 percent of schools receiving federal Title I funds.

For more information about these designations, see the [School and District Accountability](#) page of the MDE website.
