

## What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

## Jointly Developed with Parents

The parents of Benjamin E. Mays IB World School helped develop this Compact for Achievement. School wide meetings are held each year to update the compact. Parents are welcome to contribute comments at any time.

For more information on the 2nd Grade Compact, please contact Karen Shanahan at Karen.shanahan@spps.org or 651.325.2400.

## Communicating about Learning

Benjamin E. Mays IB World School is committed to communicating regularly with families about children's learning. Some of the ways you can expect us to communicate are:

- *Mays Weekly Highlights* e-mail
- Website: [www.spps.org/mays](http://www.spps.org/mays)
- Teachers will provide contact information at the start of the school year.

If you have questions about your child's progress, please contact their teacher.

2nd Grade Compact  
2021-2022

information to help your child  
succeed in school

The 2021-2022 school year will focus on helping our students become **Independent Learners**. This means **instruction** that supports students while pushing **rigor** and providing opportunities for **agency**, self-monitoring, and independent use of **strategies**. Literacy & math **small groups** will be key to forming Independent Learners. Small groups meet students where they are with **relevant** instruction to **accelerate learning**.

Benjamin E. Mays IB World School recognizes families as partners in education. We hope to work together to develop Independent Learners.

### District Goals

#### District Goals for Student Achievement

More at [spps.org/strategicplan](https://spps.org/strategicplan)

- Decrease disparities based on race, ethnicity, culture and identity
- Increase achievement of English Learners
- Increase achievement of students receiving special education services
- Improve kindergarten readiness
- Increase academic growth in reading and math for all students
- Prepare all graduates for college, career and life

### School Goals

#### Reading:

The percent of student scoring proficient or higher in reading will increase from 18% to 35% by Spring 2022 as measured by the MCA.

#### Math:

The percent of students scoring proficient or higher in math will increase from 16% to 35% by Spring 2022 as measured by the MCA.

### In the 2nd Grade Classroom

The second grade team will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- Provide parents Sight Word Game or Math Fact Game during conferences
- Goal of 40 minutes sustained reading by the end of the year.
- Teachers will work to provide access to books for reading at home.
- Family Day in fall will invite parents to explore the 2nd grade class and curriculum and provide take home activities to build reading and math skills.
- Second Grade will host an IB Showcase event inviting the community to school to explore one of their IB units.
- Seesaw will be used to communicate and share work samples with families.

### At Home

Benjamin E. Mays IB World School parents joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list:

- Have fun with the Sight Word Game or Math Fact Game the teacher provides.
- Look for the classroom newsletter every other week.
- Visit the local library.
- Have your child help count change when out shopping.
- Point out time on analog clocks as well as using digital clocks to help my child practice telling time.
- Look for the *Weekly Highlights* e-mail.
- Use Seesaw to follow my child's classwork.

### Benjamin E. Mays Students

Benjamin E. Mays IB World School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars. Students thought of the following ideas to make connections between learning at home and school:

- Play the Sight Word and Math Fact games.
- Bring home the classroom newsletter and show it to my parents.
- Read every day for 20 minutes at home.
- Check out the math websites suggested by the teacher.
