* Registration for Swimming Lessons and Gymnastics opens Thursday, April 15. All classes will be held at Central High School. Class offerings and times will be available online on April 15.

**Aquatics***

We are excited to welcome school-age children back to swimming lessons this summer! Swimming lessons provide a fabulous opportunity for children to gain new skills, practice autonomy, work with others, and develop confidence in the water. See you in the pool!

**Gymnastics***

With smaller class sizes and increased safety procedures, we welcome the next generation of gymnasts. Gymnastics allows children to develop flexibility, strength, teamwork skills, patience and perseverance. Community Education gymnastics creates an inclusive community that is safe, supportive, engaging and fun for all participants. See you on the mat!
Community Education youth camps spark genuine discovery, ignite change-making, and create unexpectedly awesome experiences. This summer, participant/adult ratios have been lowered, and we are offering more two-week camps to support relationship building and safety. All camps will be held at Central High School. 75% scholarships are available for youth who qualify for free or reduced lunch; call or email to register with a scholarship.

**This is the Way: Camp of the Mandalorian & Jedi**
Entering grades 1-5. Enter a galaxy far far away and in the outer reaches! This is the world of bounty hunters and the New Republic where you will learn the ways of the Mandalorian and Jedi. Prepare for adventure by creating your own armor, lightsaber and building alliances. Clarify your values and practice your goals as you experiment with the Force. Each day will launch you into a new adventure where you will explore life on different planets and civilizations, become guardians to special cargo, and work with your allies to solve the challenges of the universe.

*June 21-July 2 • 9:00a-4:00p • $360*

**Dr. Berserk’s Science Emporium**
Entering grades 1-5. Gather round, curious scientists. Are you ready to cause a ruckus? Dr. Berserk’s lab is open for exploration! Challenge yourself to do the impossible, hypothesize, conduct experiments and discover the unknown. We’ll experiment each day to practice our scientist skills, and you will design your own study to present at our end-of-camp Berserk Science Fair. Grab your goggles and get ready for Dr. Berserk’s Science Emporium!

*July 26-August 6 • 9:00a-4:00p • $360*

**Hogwarts ReImagined**
Entering grades 1-5. Witches and Wizards, the Ministry of Magic has called upon you to join the world of Hogwarts. Explore the Sorcerer’s Stone, Chamber of Secrets, Azkaban, World Cup and Quidditch. Beginning on day one, you will join your house to make wands, study potions, build your house identity and set goals to prepare for graduation from Hogwarts. The world of magic awaits those who dare to enter!

*July 12-23 • 9:00a-4:00p • $360*

**Deceptively Dangerous Skills Camp**
Entering grades 1-5. Are you up for an adventure? Looking for something exciting and even a little dangerous? If you’re open to exploring new challenges, thinking creatively and stretching your limits – this camp is for you! We will use and develop your abilities by providing the chance to practice independent and cooperative problem-solving, including physical and mental skills, while achieving goals you may have thought were unattainable.

*August 9-13 • 9:00a-4:00p • $180*

Cahoots is a self-led summer educational program that sharpens academic skills, fosters independence and promotes self-reflection.

Cahoots workbook—a robust review weekly of math and language arts concepts for youth entering kindergarten through 6th grade.

Memorable Cahoots characters conspire with kids to make learning fun. Lessons support creative problem solving with activities for kids to think, draw, write and take action.

At the end of each lesson, kids will track their progress, reflect on their learnings, and send/receive feedback and encouragement from a reflection buddy via mail!

Cost (includes workbook, reflection buddy and end-of-summer prize):
- 6 lesson workbook for kids entering K = $32
- 8 lesson workbook for kids entering grades 1-6 = $42
- 50% discount for youth who qualify for free/reduced lunch
