Dear Parent(s)/Guardian(s) and Students:

As our school year ends, I am already excited for the 2018-2019 school year. As your counselor, I am here to help support students in their academic goals, social and emotional needs, as well as their future endeavors as they look forward to college and careers. I know that 2018-2019 will be our best year yet and all of our HAWKS will truly soar.

In hopes of getting you excited for our upcoming school year, we are letting you know that you can access your schedule on your Campus account. Please take a look at your schedule for the upcoming 2018-2019 school year. *Please note: Schedules may change. Changes may include: classes, teachers and room numbers. When your student arrives to school in the fall they will be given a schedule reflecting any updates.*

Summer can be such a fun and wonderful time. Students please take this time during the summer to get ready for a great school year; read a book, write a story, and practice some of the great information that you learned this year.

Remember: It's always a good time to keep learning.

If you should have any questions, please don't hesitate to email me at:

Have a safe and happy summer!

Be kind,

Ms. Samantha Gray
