

What is a Family- School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Jointly Developed with Parents

The parents at Harding helped develop this Compact for Achievement. Meetings are held each year to update the compact. Parents are welcome to contribute comments at any time.

For more information on the Compact please contact Harding Senior High at 651-793-4700.
