JOHNSON AEROSPACE & ENGINEERING HIGH SCHOOL

Family Engagement Plan 2021-2022

Johnson Aerospace & Engineering High School is committed to student growth and achievement through the collaboration of staff, parents/guardians, students and community members.

The Family Engagement Plan (FEP) is organized into four impact areas. We will be working together this year to build positive and goal-oriented relationships in each area. Families and staff at school developed this plan together. We will distribute and make the plan available to families and the local community.

The achievement gap, or rather the “opportunity gap,” between students of color and white students in Saint Paul Public Schools is unacceptable. Our school is working to change practices and systems by identifying the barriers that make it harder for students of color to succeed and for their families to support their learning.

Transitions between schools can be challenging, and we work to help families as their children start and leave our school.

We work to make these meetings and events available for every family in the school.

- At JHS we offer opportunities for families to stay connected by having meetings and events that happen during the school as well as after school hours
- JHS has two full-time staff members that do on-site interpretation and phone calls to families that have a primary language of Hmong or Spanish to reduce language barriers to participation
- Our bi-lingual staff are available for parent/teacher conferences and other school-wide events as requested
- District wide printed materials are available in other languages in the main office and building specific materials are available in other languages in various places on our website, specifically under the Families Tab and available upon request
- We post translated materials in Hmong and Spanish on our website as requested
Please note that all information & events on the 21-22 Family Engagement Plan are subject to change due to COVID-19 regulations.

| Our school supports families as advocates and provides opportunities for parent leadership | • As a Title I school, we may use Title I funds to pay reasonable and necessary expenses associated with parent involvement activities including transportation, child care, or home visit expenses to enable parents to participate in school-related meetings, events and training sessions
