Message from the Principal

Happy November Families!

Conferences are coming up soon and it is important to have 100% participation from our families. Our staff members want to celebrate and share how your child (ren) are growing, developing, and achieving at their grade level. We also want to discuss how we can partner together to support your child's success. Parents/Guardians please make every effort to be on time for your scheduled conference time. If you need to reschedule your conference time, please call us at 651-293-8675.

John Bjoraker

Conversation Corner- Part 2

A conversation with your child is a great way to encourage children to increase vocabulary and gain confidence with speaking. These ideas may help you get more than a "yes", "ok", or "no" answers when asking your child about their school day. On the way home, at dinner, or even bedtime is a great time for these simple questions.

- What is your favorite letter of the alphabet? Why?
- What is your favorite day of the week? Why?
- What is your favorite thing to do during recess ? Why?
- Do you prefer math games with cards or dice? Why?
- If you could have a pet in your class, what would it be? Why?

Who we are: Harvest pack is a 501(c)(3) non-profit organization devoted to ending hunger. Our mission is to bring nutritious food to every table, with *your* help.

What we do: The task is simple: gather caring people together to pack food. The cost is low: only 23 cents per meal. The result is incredible: healthy food in every table in your neighborhood.

How we do it: Harvest Pack comes to you! We will come to your community, workplace, school, place of worship, or social club. You gather the volunteers and for just 23 cents a meal, Harvest

Classroom Celebrations

This is a reminder that we are promoting food-free classroom celebrations. Due to food allergies and dietary food restrictions, we will not be allowing sweet treats like cupcakes to be shared with classmates in ALL classrooms at Farnsworth Aerospace PreK-4.

Phy. Ed. fun with Ms. A.

Being indoors for the fall/winter months also means more time to explore the gym equipment. This includes: rock climbing wall, scooters, parachute and cageball. We will be starting our mini units of basketball and volleyball for gr. 2-4 and modified units for gr. K & 1. Both of these units will be focused on their skill development and positive team play. We end both units with some fun lead-up games.

Feliz Noviembre familias!

Las conferencias se van a realizar muy pronto y es importante tener el 100% de participación de las familias. Nuestro personal desea celebrar y compartir como su hijo(s) está creciendo, desarrollándose y logrando su nivel con el grado escolar. También queremos hablar sobre cómo podemos asociarnos para apoyar el éxito de su hijo. Padres/tutores por favor hagan todo lo posible para llegar a tiempo a su horario de conferencia. Si necesita reprogramar el horario de su conferencia, llámenos al 651-293-8675,

John Bjoraker

Esquina de la Conversación - Parte 2

Una conversación con su hijo es una excelente manera de animar a los niños a aumentar el vocabulario y ganar confianza al hablar. Estas ideas pueden ayudarlo a obtener más que un "sí", "ok" o "no" cuando le pregunte a su hijo sobre su día escolar. De camino a casa, a la hora de la cena, o incluso a la hora de acostarse, es un buen momento para estas simples preguntas.

- Cuál es tu letra favorita en el alfabeto? Por qué?
- Cuál es tu día favorito de la semana? Por qué?
- Qué es lo que más te gusta hacer en el descanso? Por qué?
- Usted prefiere juegos de matemáticas con cartas o con dados? Por qué?
- Si pudieras tener una mascota en tu clase, cuál sería? Por qué?
