**Writing (Sau ntawv):** I am letting you know that to ensure that our students can write in Hmong, I am going to send 3 writing lessons a week. Your students may begin by labeling what is on the picture. If they can do that, they may write sentences starting with, Kuv pom..... If your child can produce languages and can write sentences, they can write a story about the picture. Yuav kom peb cov me nyuam me me no txhawj sau ntawv Hmoob, kuv yuav xav ib co duab tuaj rau koj tus me nyuam sau txog. Kuv yuav xa li 3 zaug. Yog koj tus me nyuam tsis tau paub sau ntawv, nws yuav tsum tau tis npe rau cov khoom nyob hauv daim duab. Yog nws paub sau ntawv me me lawm, nws yuav tsum sau seb nws pom dab tsi. Yog nws txawj txawj sau ntawv lawm, nws yuav tsum sau ib zaj dab neeg txog daim duab. I will model and show your child my expectations during large group instruction.
