Dear Families,

Our next field trip is to the Belwin Nature Center. We are scheduled to go on **Monday, December 9, 2019.** We will **leave at 7:45 am** so please be sure to send your child to school on time. Lunch will be provided.

Belwin is an outdoor field trip where students will be outside to investigate nature. This will involve walking, hiking and students will need to come with all their snow gear. Belwin will have spare snow pants, hats and mittens if students do not have them.

We will be split into four small groups while exploring Nature and a Belwin staff member will be with each group. If you are available to chaperone then we would appreciate the support.

If you have any questions, please call the main office at 651 744 3290
