Hello Pre-k Families,
I hope you all are safe and healthy during this hard time. I miss you all so much! I'm so sad that I will not get to see my students face-to-face for a few weeks. Please email me if you have any questions or concerns. Inside this folder, you will find your child’s report cards, Hmong and English handouts, and our Pre-k School Home Partners in Learning (SHPL) activities. I've also attached the QR code for your child's Seesaw accounts. Once your child completes the SHPL book or worksheet, it would be great if you could take a picture or video and email it to me. I will upload it onto seesaw. However, I do understand that not everyone has internet connections and it’s ok. As long as you are there to support your child and keeping them safe.

Classroom News

Make sure to drink lots of water and eat lots of fruits and veggies! Remember to wash those wonderful hands, exercise, and get plenty of rest.

Important Dates

District Reminder:
All Saint Paul Public Schools and activities are canceled Monday, March 16 and Tuesday, March 17, because we are beginning to implement mitigation strategies to help slow the spread of the Coronavirus Disease (COVID-19). This is in addition to the announcement Governor Tim Walz made this morning that all schools will close March 18-27.
