Message from the school:

At the center of the East Side of St. Paul is a school where students begin preparing for college on day one. Colorful college flags and memorabilia decorate the walls and staff members proudly proclaim where they attended college. Bruce F. Vento Elementary makes a strong statement that each student should be ready for college. Every class \adopts\ a college or university and learns about its campus. In return, colleges and universities provide campus tours or partner with students on extraordinary projects. Our Family Resource Center promotes unity to help each child excel in school. In addition to core classes, our students are inspired through science lab, visual arts and physical education. Students use technology as a tool for learning, processing information and presenting what they've learned in a variety of subject areas.
