

Important Information Regarding April 15 -

This coming Friday, April 15, all SPPS schools will have a digital learning day.

Logistics -

All students will begin their Digital Learning Day logging into a morning meeting with their Foundations class for 30 minutes. The remaining portions of the day are divided into hour long blocks by each department. Students are free to join their teacher's Google Meet for however much time they need within that 60 minutes to get their questions answered and to learn from their peers. **Students will be able to access each Google Meet by using a "nickname" within the app. The nickname code is their teacher's last name + officehours (ie. Ms. Crowley's code would be crowleyofficehours).** If students/families are having a difficult time accessing rooms or have general questions, they can either call the main office at 651-293-8740 or enter the Google Meet code **MurrayDLD** (Google Meet Murray DLD available from 8:30am – 10:30am).

Asynchronous (Independent) work will be posted in Schoology for students to work on when they are not attending foundations or office hours. Students are required to attend their foundations and can access office hours if they are in need of support.

The schedule for the day looks like this -

Foundations	9:00 - 9:30
Mathematics Office Hours	9:30 - 10:30
Science Office Hours	10:30 - 11:30
ELA Office Hours	11:30 - 12:30
Lunch	12:30 - 1:00
Social Studies Office Hours	1:00 - 2:00
Specialists Office Hours	2:00 - 3:00
Specialists and Content Elective Office Hours	3:00 - 3:30
