(Review) Student Health Guidance and COVID Testing -

Due to the ongoing COVID19 Pandemic, please do not send your student to school if they have any symptoms of illness. Students who come to school ill will be seen in the Health Office and the family will be contacted to pick up the student from school as soon as possible. Students that are ill will NOT be able to ride the bus home.

Please ensure that your contact information, especially phone numbers, are up to date with our front office clerk. Ms. Adriana Cruz-Trevino, our front office clerk, can be reached at 651-293-8740.

We appreciate your help in keeping our students and staff safe at school.

- SPSS will follow all of the health and safety measures as described in the Minnesota [Safe Learning Plan](#) and the [SPSS COVID-19 Student and Family Guidelines](#).
