

AGAPE High School (Early) Spring Newsletter

February 5th, 2019

Dear Families and Friends of AGAPE Students:

Hopefully Spring will be here soon! We continue to ask that students and families check the MySPPS Bus app for possible bus lateness during challenging road condition events during early Spring, or call AGAPE for information on bus locations. Always check spps.org for winter weather school closures – even if they might occur in Spring! We will be sending out one more newsletter in late Spring to families regarding end of year events and activities.

We would like families to share in our journey and join us at one (or all) of our upcoming events!
