Students keep backpacks in lockers. We recommend that students report to their lockers each morning, gather all materials for their morning classes and then return to their lockers before lunch. After lunch, students should gather materials for all of their afternoon classes. Many students have found binder organizers helpful in keeping morning and afternoon materials separate. Our lockers come in multiple shapes and sizes so we recommend waiting to purchase lockers shelves and accessories.

Please bring school supplies on the first day of school, not earlier. Thank you!

Please also bring \$5 on the first day of school to purchase a Capitol Hill planner. Planners are required and are used to record homework, school events and hall passes.
