Dear Parents and Families,

We hope you and your children enjoyed the 3-day holiday weekend as our country recognized past and present leaders with President’s Day. We sent home the orange mid-year report. As parents, we would like to get some feedback from you. Please take a few minutes to answer the questions as honestly as possible. No identifying information will be collected. This information will be used to help our leadership team make decisions for Staff PD and also parent communication. CLICK HERE for the parent survey.

Did you know that this year, we acquired a new bike fleet along with safety helmets? This allows our P.E. teacher, Mr. Hackett, to teach students about bike safety and how to ride bikes (3rd grade and older). At the beginning of the year, parents signed waiver forms in order for their child to participate. In the fall, Mr. Hackett was able to get some students on bikes. We can’t wait until spring when our students can get outside again for some bike safety lessons. We can always use parent help with maintaining the bikes and also volunteers on the days that Mr. Hackett teaches bike safety lessons. Please contact Mr. Hackett if you’d like to help.

Check out the pictures from our fall bike safety lessons here or below:

Thank you
