Dear Parents and Families,

This week is Teacher Appreciation Week. Ms. BrownTon and I can't say enough how much we appreciate all of our Phalen staff - from classroom teachers, to teaching assistants, to specialist teachers. They have each helped your child to learn to read, to problem solve, to love books, to discuss, to create, to imagine, and to make friends. And your children have grown so much this school year! You can be proud of them.

As you all experienced from virtual learning last year, many of you know the joys and challenges teaching children. It takes a special person to teach not only one or two children, but over 20 students each day. Our Phalen teachers get to discover the strengths and needs of each of their students - their joys and fears- and use it to help them grow. We are so grateful to our dedicated teachers and teaching assistants, and so proud of how they have shown up every day with positive energy, ready to teach your children.

This week, our 3rd-5th graders will be learning to ride bikes in gym class. 5th graders will be riding to Lake Phalen on Thursday and Friday with Mr. Hackett and some volunteers! We will share our pictures on our Facebook Page! ([Click here to follow us!](#))
