Hi Parents and Families,

We hope you all had a good time with family and friends over the long weekend. As we gather together with loved ones, we hope everyone continues to practice good hygiene and masking when needed so we can keep everyone healthy. We have noticed that there has been an increase in student illnesses with the flu and cold. We encourage students and staff to wear masks as a way to help reduce the spread of seasonal illnesses. If one child is sick, only that child needs to stay home. The other children should still come to school. If a student is not sick, it is still very important that they come to school to not disrupt their learning. If you are not sure if you should keep the child home, please contact the school nurse.

Just a reminder that students go out for recess everyday for 20 minutes. Please make sure students wear coats, snow pants, boots, hats, and gloves/mittens. Please label your child’s items with their names and grade or teacher. That way, if they drop it or it gets left outside, it can be returned to them. If your child loses their item, have them check in our lost and found items at school.

Have a wonderful week!

Announcements for the week:

- Thursday, Dec. 1st- 5:00-7:00pm - Parent/Teacher Organization (PTO) Meeting at school
  - If you are not able to join in person but can join virtually, a virtual meeting link will be sent out via text that evening. Please join the PTO for the meeting. There are many important things to discuss.

Check out some learning from this fall: Students working on word work skills below. We are implementing UFLI, a new phonics program, in our K-2 Hmong Studies classes this year.
