Hi Parents and Families,

It's time for Fall Parent/Teacher conferences. This is one of my favorite times of the year. It's an important time for students to see their parents and teachers connect as partners to support them. Please take the time to come and meet your child's teacher to talk about their progress. Please bring your questions, celebrations, and concerns.

Tuesday is Election Day. We hope you are able to get out and vote for SPPS School Board Members of your choice. They will make important decisions that impact your child's education.

As the weather gets worse with rain and snow, please make sure to continue to drive safely as you drop off and pick up your child. Please pull all the way up so cars can pull up behind you. We also ask that you drive southbound on Cypress Street along the side of the school. Please do NOT go northbound since the student will have to cross the street. Please make sure you wait for patrols to help cross you as there are many cars during dismissal. Please share the rules with family members who pick up your child. Thank you for helping to keep our students safe.

Please see the reminders below!

- **Wed, Nov. 8th - 5:30-8:00pm - Special Ed Parent Academy will meet this week in the Library.**
